

Daily Kos (Hippocrates) Island Tour – Wine Tasting & Culture Program

Wednesday Program

Following a pleasant sea voyage via the morning ferry, we arrive at [Kos Island](#). After completing customs and visa procedures, we meet with our [Bodrumda Tatil](#) staff waiting for us at the port.

We depart at **11:00 AM – 11:15 AM** in our private vehicle to start exploring the island. During our journey, we first enjoy the panoramic views of [Tigaki Village](#) before arriving at [Kardamena](#), a charming coastal town. Here, we offer approximately **1 hour to 1 hour and 15 minutes** of free time for you to swim in the crystal-clear waters of the Aegean, enjoy the beach, or explore the coastline.

Following our enjoyable time in [Kardamena](#), we head towards [Zia Village](#), famous for its traditional texture and unique scenery, to have lunch. After our delightful lunch break in Zia, guests who wish to do so can visit the local [Nature Park](#).

In the most special part of our day, we head towards the [Kos Vineyards](#) to closely discover the island's deeply rooted winemaking culture. Following a **special wine tasting session** where we will experience unique wines produced from local grapes, we set off towards [Kos Port](#). Upon completing customs and passport control, we return to Bodrum. We say goodbye to our valued guests, hoping to meet again on another [Bodrumda Tatil](#) **Turizm** organization.
